

Intelligent Led Digital Automatic Voltage Protection

Intelligent Led Digital Automatic Voltage Protection has intelligent control that you can set the over and under voltage and off according to the power consumption status.

Intelligent Led Digital Automatic Voltage Protection is easy to install because of the Din-Rail mounting.

Intelligent Led Digital Automatic Voltage Protection has strong anti-interference, solves the problems of FM frequency instability and frequency fluctuations.

Yuelong Electric(GHX) is a large-scale Intelligent Led Digital Automatic Voltage Protection manufacturer and supplier in China. We have been specialized in Intelligent Led Digital Automatic Voltage Protection for many years. Our products Intelligent Led Digital Automatic Voltage Protection exported in the field of oversea OEM and ODM. We are looking forward to becoming your long-term partner.

Intelligent Led Digital Automatic Voltage Protection Features:

- =Multiple protection;
- =Automatic reset;
- =ABS material;
- =Lightning protection;
- =Malicious load protection;
- =Wide voltage range
